

## THE TEACHING OF PHONICS

The academy follows the DfE guidance on the teaching of phonics alongside the Read, Write, Inc Scheme and the Letters and Sounds document for the teaching of phonics. Below is an outline of the phonic phases taught from Nursery through to Key Stage 2.

<b>Phase</b>	<b>Phonic Knowledge and Skills</b>
<i>Phase One</i>	Activities are divided into seven aspects, including environmental sounds, instrumental sounds, body sounds, rhythm and rhyme, alliteration, voice sounds and finally oral blending and segmenting.
<i>Phase Two</i>	Learning 19 letters of the alphabet and one sound for each. Blending sounds together to make words. Segmenting words into their separate sounds. Beginning to read simple captions.
<i>Phase Three</i>	The remaining 7 letters of the alphabet, one sound for each. Graphemes such as ch, oo, th representing the remaining phonemes not covered by single letters. Reading captions, sentences and questions. On completion of this phase, children will have learnt the "simple code", i.e. one grapheme for each phoneme in the English language.
<i>Phase Four</i>	No new grapheme-phoneme correspondences are taught in this phase. Children learn to blend and segment longer words with adjacent consonants, e.g. swim, clap, jump.
<i>Phase Five</i>	Now we move on to the "complex code". Children learn more graphemes for the phonemes which they already know, plus different ways of pronouncing the graphemes they already know.
<i>Phase Six</i>	Working on spelling, including prefixes and suffixes, doubling and dropping letters etc.
