23/10/2020

Dear Parents,

Wishing you a lovely half term from Kader

What a very, very strange start to the academic year 2020/2021!

Firstly, I would like to say a huge thank you to all our parents, carers and children for making our return to school such a positive experience. Your children have been delightful and all of the staff couldn't be prouder of their attitude, resilience and their readiness to learn and embrace school life once again. We have had our challenges, but because of your cooperation, help and support we have managed to keep upbeat and smiling in this constant changing world we now find ourselves in!

Unfortunately, due to the continuing threat of COVID-19 our procedures and risk assessments will need to remain the same i.e. drop off/pick up times will remain. Children may also continue to wear trainers. We do appreciate that sending bubbles home causes great inconvenience and distress to all concerned, however, these policies will have to remain the same for the foreseeable future, until Government guidance changes. That being said if someone in your house hold tests positive over half term, please notify the school on school.enquiries@kaderacademy.org.uk so we can keep the rest of the school informed in advance of possible bubble closures.

I hope that you have all now managed to download the school app. If not, please do so, as I use this to inform parents of key information and dates for your diaries. We have recently changed our website provider and we hope that you like the changes we have made. The staff will continue to post weekly updates and each Friday 'The Kader Connect' newsletter will offer a brief whole school summary for you to enjoy. Don't forget that parents' evenings via telephone will take place the week commencing 2/11/20. You should now already have your appointment confirmed. Each year group will be posting an informative PowerPoint for you to browse with key information about your child's current year group expectations.

We ask that any school photograph order forms are in by Thursday 5th November by 4:00PM.

On behalf of all the staff and governors at Kader, wishing you all a fun filled, happy and healthy half term.

Yours sincerely,

Mrs Alison Mitchinson
