

THE KADER CONNECT

Week beginning: 30/11/20

Welcome to the Kader connect, Kader's weekly round up! Here we will be sharing insight into what is going on here at Kader across all year groups and celebrating our lovely children!

Thought for the weekend

Although it's cold outside, let your own warmth shine through!

Mr Lavenick's keep fit task..

Can you show your parents your amazing running skills from the reindeer run? You were fast as lightening! Keep it up!

A Poem to Ponder...

WINTER TALES

In the furious winter nights
Frosted blues, cover the sky.
The wind howls to the land,
Birthing quivers upon my spine.

A teakettle; a tin of spice
On the table toffee pie.
Flipping pages in my hands,
Children stories keep me warm.

—Clairel Estevez

A message from Mrs Mitchinson

Marvellous Writers!

Wow! Year 5 boys really blew me away this week with their fantastic effort towards their newspaper articles. I loved to read them and see the dedication and effort that all of you put in! Keep it up!

Parking Pests!

Please can the usual offenders stop blocking local residents' driveways. It is really upsetting them, which then upsets me. Can I also ask that you stop parking on the double yellow lines.

Thank you!

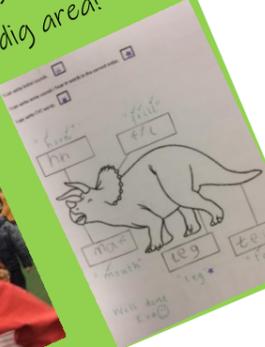

Nursery

Exploring ice! Trying to rescue animals who are frozen in ice! How could we get them out? We had to work together to solve the problem. It was great fun.

Reception

Phonics and fun! The children are really enjoying their phonics lessons and it is lovely to see them grappling with new sounds and starting to use them during independent writing. They have really enjoyed learning all about dinosaurs and exploring the dinosaur dig area!

Year 1

Money magic! We have been exploring money this week, looking at coins and what they are worth. Can you have a look at money over the weekend? Perhaps set up a little shop and pretend to purchase items using the coins you feel confident with. We also loved the reindeer run! Do you like our antlers?

Year 2

Year 2 have also been learning about Money! We have been using money to solve problems! Working together and discussing our reasons.

Year 3

Reindeer run! We loved the reindeer run. Thankyou for the amazing generosity from parents. We have also been busy writing stories this week. Using all of the skills we have learnt so far in Year 3 and trying to demonstrate exactly what we can do! We always give 100%

Year 4

Our smiles lit up the playground this week during the reindeer run. We are all great friends in Year 4 and were spurring each other on. We have worked our socks off so far in Year 4. Two weeks left to go... Keep it up!

Year 6

We have worked very hard this week on our new writing focus - a Christmas Truce! We have also been mastering arithmetic skills and techniques to help us grow in confidence completing Mathematics questions. The buzz felt in the classrooms around the 'Times table' rock star competition has been super - keep working hard.

Year 5

we have been so hands on in Maths this week, exploring with symmetry and shape. We have also been perfecting our newspaper reports - I am sure there is a couple of journalists amongst us! Look at us smile! We loved the reindeer run.

Mrs Donalds - What made me smile!

Reindeer Run!

It was glorious to see you all bobbing around the playground with music and Christmas cheer! Raising money for a charity so close to our heart.

Thank you all!
