Principal: Mrs A Mitchinson

Dear Parents/Carers,

Wishing you all a very happy and healthy and fun filled Easter Holidays

Your children are a credit to you! They have come back happy, smiley and ready to learn. It has been a pleasure to welcome all of the children back along with all our families and the sun has begun to shine!

Parking is better, thank you, we must all adhere to parking correctly to keep our children safe and respect our residents. We will be continuing with our extended start to the day and our staggered pickups. However, I am sure you can appreciate that this cannot continue indefinitely; the contracted school day has a detrimental effect on our curriculum and the teaching time available. We will be aiming to be back to normal times before the end of term, if the lockdown exit strategy continues on its expected path. We will endeavour to support any parents who are finding difficulty with these times, please do not hesitate to contact school and we will try to accommodate.

Children can continue to wear trainers to school through the summer term. On PE days, can children come in to school their full PE kit as they have been doing.

A huge thank you to everyone who donated on Red Nose Day, we managed to raise £400! We also raised £108 for Teesside Hospice through their Easter Buddies campaign. Teesside Hospice have nominated Kader for one of their Hospice Hero awards, more information on this to follow! Your generosity, especially in difficult times, continues to amaze me and it makes me proud to see our community come together to help one another.

All it leaves is for me to say take care and have a lovely Easter Break, we look forward to seeing you all back on Monday 12th April.

Kind regards,

Mrs A. Mitchinson
Principal
