

# THE KADER CONNECT

Week beginning: 24/05/21

Welcome to the Kader connect, Kader's weekly round up! Here we will be sharing insight into what is going on here at Kader across all year groups and celebrating our lovely children!

*Thought for the weekend*  
**TAKE A MOMENT AND REFLECT**

## A POEM TO PONDER...

### Adventure

Sun and wind and beat of sea,  
Great lands stretching endlessly...  
Where be bonds to bind the free?  
All the world was made for me!

## A message from Mrs Mitchinson

Marrick

It was lovely to visit Marrick on two occasions this week. I realise that the plans had to change last minute but it didn't impact the fun at all! I think it's safe to say the children had a blast. I received an email from Jim at Marrick to say that the children were polite, courteous, inquisitive and competitive just like their teachers. Well done all! A big thank you to all the staff who made this week possible. Memories to last a life time!

I hope all of our Kader families have a wonderful half term ...  
Let's hope the sun shines!

## Mr Laverick's keep fit task..

Strengthen your arms! Can you pretend to be weight lifters with tins of beans? How many reps can you do? Did you know that arm muscles help you to have wonderful hand writing!

## Nursery

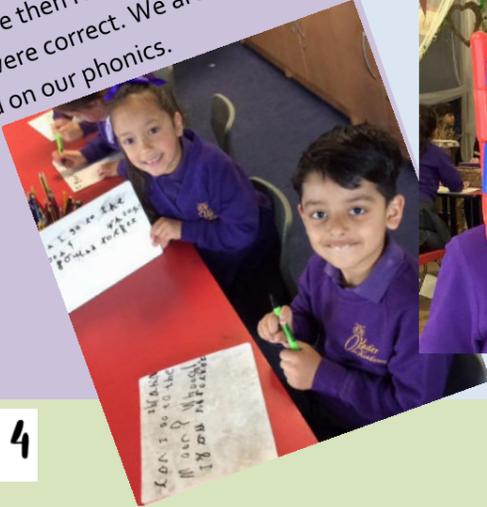

So much fun! The children are loving Nursery at the moment. We love to play with the resources, role play and let our imaginations run wild! The children love to explore and work with one another.

## Reception

We have totally loved exploring fairy-tales! Ending the half term on a high with a Fairy-tale picnic! We have loved to see the children using their imaginations and also using fairy-tale as an inspiration to write. Little authors in the making!

## Year 1

In English this week we focused on the book 'Whatever Next?' and made a prediction about what the book would be called based on picture clues on the front cover. We then read the story to see if our predictions were correct. We are also working so hard on our phonics.

## Year 4

This half term has been so full! We have absolutely worked our socks off. We are so excited for our party on Friday afternoon and we are looking forward to a well-earned rest, ready for our last half term in Year 4

## Year 2

Year 2 have had an amazing pirate day! They rampaged round the school on a treasure hunt scaring everyone that they met... finally they found the treasure! Ooo arrrrr!

## Year 3

We have had a lovely week in Year 3 to finish off the half term. The children have worked extra hard fishing off their work on 'Rivers' by looking at how we can protect the environment around us.

## Year 5

Exploring practically in Mathematics helps us to strengthen our understanding of number. It is wonderful to see the children using their brains and becoming 'Maths Masters!'

Keep up the hard work Year 5!

## Year 6

What a wonderful place! We are so incredibly lucky to have places like this in North Yorkshire. Year 6 have totally loved Marrick. It has been incredible.

## Mrs Donalds - What made me smile!

A week of Marrick adventure! I have loved spending time with the Year 6 in Marrick and it was a pleasure. The behaviour, attitude and enthusiasm was wonderful. They were a credit to their parents and a wonderful representation of our school.
