

# THE KADER CONNECT

Week beginning:

28/06/21

*Thought for the weekend  
IT'S COMING HOME!*

## Mr Laverick's keep fit task..

Keeping up with the football theme-  
Can you complete 10 passes of the  
ball with a friend or family member?

*Year 1*

It was so nice to be back this week! We continued our topic Paws, Claws and Whiskers and completed sponge paintings of animals. Then we learned about carnivores, herbivores and omnivores.

*Year 4*

We have been working our socks off as usual in Year 4 and it was wonderful to finish the week with our Year 4 mini-football tournament, which was a huge success. We have all had so much fun!!

*Year 5*

We have been working so hard as usual in Year 5 across our whole curriculum. We have been learning about gears, levers and pulleys and made our own waving hand in our afternoon sessions. We finished the week off in football Friday style! Come on England!

Welcome to the Kader connect, Kader's weekly round up! Here we will be sharing insight into what is going on here at Kader across all year groups and celebrating our lovely children!

## A Poem to Ponder...

It's coming home, it's coming home, it's coming,  
Football's coming home  
  
Everyone seems to know the score,  
They've seen it all before  
They just know, they're so sure  
That England's gonna throw it away, gonna blow it away  
But I know they can play,  
'Cause I remember  
  
Three lions on a shirt  
Jules Rimet still gleaming  
Thirty years of hurt  
Never stopped me dreaming

## A message from Mrs Mitchinson

My lovely Year 6's...

I just want to say that we all shed a tear the other day when we had to send you home to isolate, but we must keep safety as our main priority. We have a cunning plan for your return and we are going to make your last week on your Kader journey as amazing as possible! Make sure you sign up for the after school party! We can't wait!

England

What a fabulous spirit in school! Come on ENGLAND!

## Nursery

We have loved this week in Nursery. Our physical development skills are coming on a treat! We have been taking part in penalty shoot outs, football matches and running races. It's been great! Come in England! Our youngest members of the Kader family are routing for you!!

## Reception

It's coming home! We are sure... so much fun and friendship and team building! Football is fun but it also helps us to learn and work towards our Early Learning Goals.

*Year 3*

This week in Year 3 we have been learning all about earthquakes. We have looked at where, when and why earthquakes happen. We then went out onto the field and collected lots of natural materials, which along with some blue tac and tape, we used to try and create an 'earthquake proof' structure.

## Year 2

Year 2 have been learning all about things that are dead, alive and never been alive and food chains. We were split into four groups – producers, consumers, consumers/prey and predators. We used the rugby tags to show how each part of the food chains transfers energy by pulling them off! We had so much fun!

## Year 6

We have been working so hard this week practising for the performance. It was so upsetting when we had to go home and isolate, but we must put safety first! We were devastated... but fear not, we will be back for the BEST WEEK EVERRRRR!!!

## Mrs Donalds - What made me smile!

Listening to year 6 sing brought a tear to my eye... what amazing voices. I'm so sorry you had to isolate, I can't wait to have you back in school.

The music playing on the playground has brightened my day... all of the smiley, happy faces chanting and singing!

We can do it ENGLAND!!
