Dear Parents/Carers,

12th November 2021

Please find below a message our Y6 Student Council children have put together to parents regarding Children in Need and a competition they will be judging.

'We invite your child/children to come to school dressed in a suitable choice of Children in Need costume or spotty clothing on Friday 19th November 2021. If your child does not want to come dressed up they are welcome to come in non-uniform so please do not go out and buy anything special. If you are able to, please can we ask for a small £1 donation to be brought in on the day.

Year 6 Student Council will be hosting a short story competition with a theme of kindness/Pudsey Day, this event will be judged by the Student Council on 19th November and a prize will be given to the best short story. If children would like to take part please can they bring their short story to school on Friday 19th November.'

Best of Luck!!

Kader Academy
