

Kindness is a Boomerang

Hi! My name is Amelia and I am Six.

Today I Want to show you that with kindness there is nothing we can not fix.

Kindness is helping someone in need.

Kindness is doing a good deed.

Kindness begins at home.

Be kind to your parents and your grandparents.

Be kind to your brother, and your sister too.

Always say please and thank you.

Tidy up your room, and do your own bed.

Because being helpful is being kind too.

At School when I see someone left out I ask them if they want to play with me and my friends.

Because kindness is a Boomerang.

I hold the door for my teachers, and say I am sorry when I run into my friend.

Because kindness is a Boomerang

I help an old lady to cross the road, and I give my neighbour a helping hand.

Because kindness is a Boomerang.

I pick up litter and be kind to animals and trees.

Because kindness is a Boomerang.

And Love ♡
